### NEW HAMPSHIRE COMMISSION FOR HUMAN RIGHTS EXPLANATION OF STATISTICAL INFORMATION

All statistics are reported according to the state fiscal year beginning July 1 and ending June 30.

The Charges Filed slide tabulate charges filed according to category: Employment, Housing, Commercial Property or Public Accommodation. Any given charge may have more than one protected class. For example, an employment based disability charge may also contain the protected classes of age and retaliation. Since harassment can be an allegation in any protected class, it has been separated as an individual allegation.

The case closures are reported in the year they are closed. The charge may have been filed and investigated in a different fiscal year.

This is also true of the Probable Cause findings slide. It reflects the fiscal year Probable Cause was found by a Commissioner even if the charge was filed and investigated in an earlier fiscal year.
